

MEADOWS FOR CIRCUIT JUDGE

I consider Bob to be a good friend of mine. There are many reasons why I am fully supporting his campaign to become a Circuit Judge. He is from this area. He is a man of integrity. His experience as a law enforcement officer is invaluable. His experience as an attorney will be a tremendous asset in knowing the law and what true justice is.

I ask you to join me in supporting Bob Meadows, if you have any questions about him just ask me.

The election is in August, please vote it is important!
